

### Happy Easter from “Grandma’s House”!

Here it is...Easter 2025. This day is the reminder that darkness was defeated by the LIGHT...that death was defeated by the LIFE...that hopelessness was defeated by MIRACLES... that brokenness was defeated by the HEALING RESURRECTION of our wounded Savior. May this season remind you that there is HOPE no matter how dark the storm of life because of the victory we remember at Easter.

As we honor the Risen Lord who gives us our HOPE, may you be blessed this season in your journey!

### Beggarman Ministries 1 year milestone celebration PARTY!

**Tuesday, May 13 6:30-8pm @ Chapel Hill UMC Fellowship Hall**

This coming May 13, 2025 is exactly 1 year that we received our official IRS determination letter as a recognized government 501c3 community non-profit organization!! Please spread the word and join us for some cake, icecream, finger food, stories & a few songs by the residents of Beggarman Ministries!!

### It’s a Full House!

In March 2025, our first house we affectionately call “Grandma’s House” welcomed our 28th resident and filled our last empty bed. We are seeing the gift and effectiveness of our program as well as the need growing as the word spreads. Hopefully as we move through 2025 we will be able to open our 2nd house to accommodate 8 more men!

### Stuck in The Cycle - I just need a chance...

Please allow me a quick story. Recently we welcomed a man “John” who was staying at the HumanKind emergency shelter in Wichita. Just a few years ago, John had his college degree and a good job. However, he walked through a series of devastating life events - some of his own doing, some done to him - that left him stuck & without a way back up. Living in a homeless shelter & 1 month out of drug rehab, he wanted to stay sober, get a job, get a place to live and get out of the cycle of poverty. John applied to multiple jobs, but was turned down because he didn’t have an address. Without a job, John could not afford any place to live & was donating plasma 2x/week to have money to cover his cell phone bill in order to be able to apply to jobs. Someone at the shelter referred him to us. I got the call, and after interviewing with us, we accepted John at Grandma’s House. Within 2 days, John was able to get the jobs he had applied for. Within 3 weeks he was able to use his first pay check to pay off fines and get his driver’s license reinstated. Now John is working 40+ hours/week, saving up for a car and living with renewed hope in God & life. All John needed was a chance. That’s what we do... offer a safe place to get back up.

Thanks be to God that there is such a thing as restoration and grace, amen? Thank you for what you do to support our work at Beggarman Ministries. If any of you want to stop over and see our ragtag group of beautiful lives being restored, please lmk!
