If you are looking for a worthwhile place to give or help before the end of 2025, Beggarmen Ministries, Inc would be a great option. Our model of transitional housing is unique and life-changing, and every donation makes a significant impact. One of my greatest joys is seeing a life renewed, restored and risen to a place of hope. Because of how we run our houses, I can promise you that each person who enters our pathway will experience a community where they are loved, valuable, and empowered to grow no matter what their history. Thank you for the ways you have given to help empower us to empower others.

**Year-end tax-deductible contributions can be given** the following ways...

If you haven't already partnered with us financially this year, please consider doing so — not because you must, but because your gift becomes part of someone's story of hope. You help offer safety to those who cannot yet stand on their own. What we do matters, and so does your role in it. Your support allows us to say "YES" to each person seeking a place to begin again.

We hope this letter finds you well. Life can be difficult, confusing, unpredictable and painful. No matter where you find yourself in the journey, may you find comfort in this scripture... "I will lead the blind by ways they have not known. Along unfamiliar paths I will guide them. I will turn the darkness into light before them and make the rough places smooth." Isaiah 42:16. May the favor of our God rest upon you as you trust HIM in your own path.

Please reach out if you have any questions. We Hope to hear from you soon and we'd love to see you at one of our upcoming events!
