

June 2024 Newsletter

Welcome friends & family to the first Beggarman Ministries official Newsletter!

There is NO way things could be where they are today if it were not for the support and help and prayers of so so many people in our lives. THANK YOU for being a part of this adventure called "Beggarman Ministries!"

Our vision is to create a safe place for those in need to get back up. Our desire is to meet each person where they are at in their walk of faith and offer them a chance to know God's love by providing help with housing, employment, transportation, healing, recovery and HOPE in a healthy community.

We have seen God do some incredible things in the last few months! Check out some highlights below!

The NEW Legal Team!

April 12, 2024, Beggarman Ministries was officially born. With the help of dynamite attorneys, Gary Ayers & Kevin Arnel, from Foulston Siefkin law firm. They helped us file and receive our IRS determination letter and all the paperwork to officially be a 501c3 nonprofit entity! Yay God! Thank you Foulston Siefkin! We could NOT have done this without you!!

House Manager Mikey Harper's acceptance letter from Beggarman Ministries Board of Directors!

The NEW House Manager!

On May 28, the board approved the hiring of our first official house manager! So we are proud to announce that Mikey Harper is the first house manager on staff with Beggarman Ministries! He has been living in the transition house called "Grandma's House" for the last 3 years, and he is a wonderful blessing to help those in our program have encouragement and accountability in their journey back on their feet! Welcome to the team Mikey!

The NEW Opportunities & Miracles!

On May 1, Eric stepped off staff from Hope Community Church to invest his time more fully in the ministry of transitional housing. Eric has begun connecting with churches and organizations around the area to raise awareness and support for what we are doing and the beautiful things that seem to be happening through Beggarman Ministries. This month, Eric is sharing at Hope Covenant Church in El Dorado & Chapel Hill UMC in

Wichita. As we share the model and vision of what this ministry provides for both residents and local churches, it has been miraculous to see God provide and grow this whole thing!

The New House Updates!

Since we took ownership of the house in 2020, there have been 16 men come live at "Grandma's House" as part of Beggarman Ministries. As we write this update, there are currently 5 men living at the house and doing well. We are renovating 2 bedrooms and the living room to increase our capacity to 8 house guests total. All 5 men are working at steady jobs and attending weekly recovery groups, house meetings and church. Two of the men are going to begin classwork this fall for HS/College degrees. Please keep the men of "Grandma's House" in your prayers as they walk this journey of healing, recovery and faith!
